TO WHOM IT MAY CONCERN

**Letter of Recommendation**

Dear Sir

The above company refers.

Be it made known that said company have assisted me, as their client, efficiently and cost-effectively through their security and guard assistance.

I would specifically like to point out Patson Tsotetsi. He is also well known member of Roodepoort Chamber of Commerce and other Networking associates and have been awarded numerous accolades for his achievements.

I all matters that they have attended to they were professional and assisted me and my business with proficiency.

I can recommend APM Security Services to other clients.
